

Badge & activity Workbook

For Leire & Dunton

BEAVERS

If you'd like to enjoy some more beaver activities at home, this booklet will give you ideas of some activities and badges that can be completed away from the Colony.

You don't have to do them all. Choose the one(s) that interest you most and complete all of the requirements listed. There will be various ways to show us you have completed your badge, it could be:

- Sending photos to us or bringing them with you when we next meet (you could even make them into a scrap book with some writing and drawings)
- Worksheets
- Posters
- Send us a short video of you demonstrating a new skill

Badges are flexible, and if you can show you have completed badge requirements in your own way that's great!

Please choose to badges that you haven't already earned with us, as unfortunately we cannot award the same badge twice (with the exception of the Hobbies Activity Badge!).

If you have really enjoyed earning one of your activity badges, you can earn an "Activity Plus" badge. To do this we must agree on some requirements together for you to complete. This is available for any of your activity badges, not just the ones in this pack. Please let me know if this is something you'd like to do and we'll work together to get you going!

If you have any questions about completing a badge, or you're not sure about something, please ask your grown up to contact us via email: leireduntonbeavers@gmail.com
